

The Shins - 40 Mark Strasse

Tom: A

Intro: A Dbm

A Dbm
Is it all so very simple
D E
And horribly complex?
Bm E
You suffer in a thimble
A D
And there's nothing coming next

A Dbm
Your mom smokes in the kitchen
D A
Her voice a cutting drone
Bm E
So creeping out, you pass the bar
A D
Your father's second home
A D E
That leaves you on your own

A Dbm
Nights I'd often watch you
D E
Float across the grounds
Bm E
Out the gate to the motorway
A D
What secrets have you found?

A Dbm
You had to know I wanted
D A
Something from you then
Bm E
Too young to know just what it was
A D
Something more than a friend
A D E
Is that you at the end

Gbm E Bm D (D E)
Where you play in the street at night
Gbm E Bm D (D E)
Blown like a broken kite
Gbm E Bm D (D E)
My girl, you're giving up the fight
A Dbm G
Are you gonna let these Americans
E

Put another dent in your life?

(A Dbm) (2x)

A Dbm
My mother says your dirty
D E
They're gonna find you dead
Bm E
But have you got that final chapter
A D
Written in your head?

A Dbm
Cause every single story
D A
Is a story about love
Bm E
Both the over flowing cup
A D
And the painful lack thereof
A D E
You got the heart of a dove

Gbm E Bm D (D E)
But, you play in the street at night
Gbm E Bm D (D E)
Blown like a broken kite
Gbm E Bm D (D E)
My girl, you're giving up the fight
Gbm E Bm D (D E)
You'll have to lose all them childish notions

A Dbm G
If you're gonna let these American boys
E
Put another dent in your life

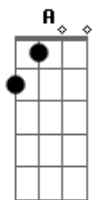

(Bm E) (4x)

Gbm E Bm D (D E)
you play in the street at night
Gbm E Bm D (D E)
Blown like a broken kite
Gbm E Bm D (D E)
My girl, you're giving up the fight
Gbm E Bm D (D E)
You'll have to lose all them childish notions

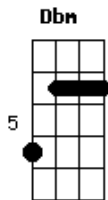

A Dbm G
Or you're gonna let these Americans
E
Put another dent in your life

(A Dbm)
