

The Shins - Sleeping Lessons

Tom: E

Tabbed by: Injulen
 Album: Wincing the Night Away
 Tuning: Standard

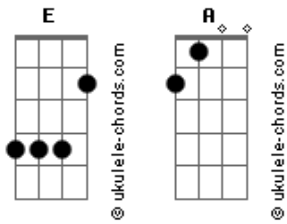

This is my first tab ever, but I really wanted to play this song.

I'm pretty sure the key of the song is A Major, but I'm not sure.

Basically just strum this chord alot:

A Major
 -5-
 -5-
 -6-

Acordes

-7-
 -7-
 -5-

then

then it seems as if they are using just these two power chords

```

---    ---|
---    ---|
---    ---|
-7-    -9-|
-5-    -7-|
    
```

I'm not positive on any part of this, but this is what I think it is.
