

# The Silent Comedy - Ghosts

Tom: B

(forma dos acordes no tom de A )  
Capostrate na 2ª casa

Go out with me to see the lights in this town  
 We can tear them all down  
 We will burn them all out  
 Go out with me, start a fight in the street  
 We have nothing to eat  
 but we're quick on our feet  
 We like the way you like to play with our eye  
 We're only looking surprised  
 Come on and dance  
 come on and dance  
 You would like living here if you gave it a chance  
 Come on and see  
 come on and see  
 We'll never make it without knowing this one thing  
 We're only ghosts in this house  
 Go out with me to see my luck's running out  
 I've been kicked when I'm down

I hope you never find out  
 Go out with me, see I'm no kind of man  
 but I do what I can  
 Will you lend me your hand?  
 We like the way the air is burning our lungs  
 We're only doing this for fun  
 Come on and dance  
 come on and dance  
 You would like living here if you gave it a chance  
 Come on and see  
 come on and see  
 We'll never make it without knowing this one thing  
 We're only ghosts in this house  
 We're only ghosts in this house  
 We're only ghosts in this house  
 Come on and dance  
 come on and dance  
 You would like living here if you gave it a chance  
 Come on and see  
 come on and see  
 You never make it you know anything
