

# The Smiths - A Rush And A Push

Tom: **D**

**Dm**

**Bb**

(basically how the piano plays the intro and possibly the rest of the song)

( **Dm Bb** )

HELLO

i am the ghost of troubled joe hung by his pretty white neck  
 some eighteen months ago  
 i travelled to a mystical time zone but i missed my bed  
 so i soon came home, they said:  
 there is too much caffeine in your blood stream  
 and a lack of real spice in your life  
 i said:  
 leave me alone, because i~m alright, dad  
 just surprised to be on my own...

**Eb** ooh, but don~t mention love

**Eb** i~d hate the strain of the pain again

a rush and a push and the land that we stand on is ours  
 it has been before so i shall be again  
 and people who are uglier than you and i  
 they take what they need and leave

**Eb** ooh, but don~t mention love

**Eb** i~d hate the pain of the strain all over again

a rush and a push and the land that we stand on is ours  
 it has been before so why can~t it be now?  
 and people who are weaker than you and i  
 they take what they want from life

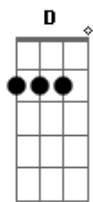

**Eb** ooh, but don~t mention love

**Eb** no, no- don~t mention love

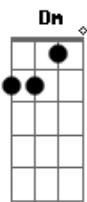

a rush and a push and the land that we stand on is ours  
 your youth may be gone but you~re still a young man  
 so phone me, phone me, phone me  
 phone me, phone me, phone me

**Eb** ooh, i think i~m in love...
