

The Smiths - A Rush And A Push

Tom: D

Dm

Bb

(basically how the piano plays the intro and possibly the rest of the song)

(Dm Bb)

HELLO

i am the ghost of troubled joe hung by his pretty white neck
 some eighteen months ago
 i travelled to a mystical time zone but i missed my bed
 so i soon came home, they said:
 there is too much caffeine in your blood stream
 and a lack of real spice in your life
 i said:
 leave me alone, because i~m alright, dad
 just surprised to be on my own...

Eb Dm
 ooh, but don~t mention love

Eb Dm
 i~d hate the strain of the pain again

a rush and a push and the land that we stand on is ours
 it has been before so i shall be again
 and people who are uglier than you and i
 they take what they need and leave

Eb Dm
 ooh, but don~t mention love

Eb Dm
 i~d hate the pain of the strain all over again

a rush and a push and the land that we stand on is ours
 it has been before so why can~t it be now?
 and people who are weaker than you and i
 they take what they want from life

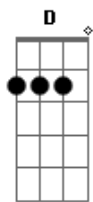

Eb Dm
 ooh, but don~t mention love

Eb Dm
 no, no- don~t mention love

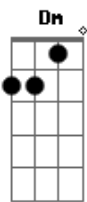

a rush and a push and the land that we stand on is ours
 your youth may be gone but you~re still a young man
 so phone me, phone me, phone me
 phone me, phone me, phone me

Eb Dm
 ooh, i think i~m in love...
