

# The Smiths - Back To The Old House

Tom: C

Yuichi Tamano (13, acoustic version from "Hat Full of Hollow". The notes on the high e string are heavily emphasized and ring loudly. This should be pretty close to the recording, though there are a few notes different here and there.

Entire lyrics:

I would rather not go  
back to the old house  
I would rather not go  
back to the old house

There's too many  
bad memories  
There's too many memories  
there.

When you cycled by  
here began all my dreams  
the saddest thing  
I'd ever seen

And you never knew  
how much I really liked you  
'cause I never even told you  
oh and I meant too

are you still there?  
or have you  
moved away  
or have you  
moved away?

I would love to go  
back to the old house  
but I never will  
I never will  
I never will.
