Learn to love me
Assemble the ways
Now, today, tomorrow and always
My only weakness is a list of crime
My only weakness is ... well, never mind, never mind

Oh, shoplifters of the world
Unite and take over
Hand it over
Hand it over
Hand it over

Verse 2

Learn to love me
Assemble the ways
Now, today, tomorrow and always
My only weakness is a list of crime
But last night the plans of a future war
Was all I saw on Channel Four

Oh, shoplifters of the world
Unite and take over

Hand it over
Hand it over
Hand it over

A heartless hand on my shoulder a push and it's over
Alabaster crashes down, six months is a long time
Tried living in the real world, instead of a shell but

Before I began

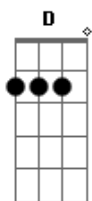

I was bored before I even began

Unite and take over
Unite and take over
Unite and take over
Unite and take over
