Learn to love me  
Assemble the ways  
Now, today, tomorrow and always  
My only weakness is a list of crime  
My only weakness is ... well, never mind, never mind

Oh, shoplifters of the world  
Unite and take over  
Hand it over  
Hand it over  
Hand it over

Verse 2

Learn to love me  
Assemble the ways  
Now, today, tomorrow and always  
My only weakness is a list of crime  
But last night the plans of a future war  
Was all I saw on Channel Four

Chorus 2

Oh, shoplifters of the world  
Unite and take over

Hand it over

Tried living in the real world, instead of a shell but

Before I began

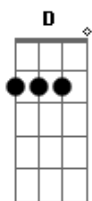

I was bored before I even began

Unite and take over  
Unite and take over  
Unite and take over
