(i really don't know) and is there any point in ever having children? ;) E [-x----] B [-x-----] G [-x----] no, i don't know D [-x----] what i do know is we're here and it's now, so A [-x----] E [-x----] percussion intro: just strum along and simulate. stretch out and wait stretch out and wait there's no debate, no debate, no debate how can you consciously contemplate when there's no debate, no debate on the high rise estate what's at the back of your mind? stretch out and wait on a three-day debate on the high rise estate what's at the back of your mind? two icy-cold hands conducting the way stretch out and wait it's the eskimo blood in my veins stretch out and wait amid the concrete and clay wait, wait, wait, etc. and general decay nature must still find a way so ignore all the codes of the day let your juvenile impulses sway outro. this way and that way and this way and that way
