

The Smiths - This Night Has Opened My Eyes

tom:

Bm (forma dos acordes no tom de Am)

Capostrate na 2ª casa

[Primeira Parte]

In a river the color of lead
 Immerse the baby's head
 Wrap her up in the News Of The World
 Dump her on a doorstep, girl

This night has opened my eyes
 And I will never sleep again

[Segunda Parte]

You kicked and cried like a bullied child
 A grown man of twenty-five
 Oh, he said he'd cure your ills
 But he didn't and he never will

Oh, save your life
 Because you've only got one

[Refrão]

The dream has gone, but the baby is real
 Oh, you did a good thing

She could have been a poet or she could have been a fool
 Oh, you did a bad thing
 And I'm not happy, and I'm not sad

[Terceira Parte]

A shoeless child on a swing
 Reminds you of your own again
 She took away your troubles
 Oh, but then again, she left pain

Oh, please save your life
 Because you've only got one

[Refrão]

The dream has gone, but the baby is real
 Oh, you did a good thing
 She could have been a poet or she could have been a fool
 Oh, you did a bad thing
 And I'm not happy, and I'm not sad
