tom:

Intro: Am C Am C

[Primeira Parte]

Am C  
Sit here and listen to the rain  
Am C  
It falls hard and loud on my window pain

Sometimes drowning me, it's like a flood  
Am  
I wish the weather would lift me  
C  
I wish it could

[Refrão]

G E  
Abandon ship before, it's too late  
F C  
Or all this love I've got will turn into hate

You're not so very far away  
F C  
But I feel more distant with each passing day  
G C  
I'm alone
