Haven't picked up a six string in a long long while
 I can't remember the last time I wrote a song
 You broke my heart so many times I stopped counting
 No longer know why I still care

You seem so happy without me
 I'm lying here and I can't breathe
 Cause you were air and now I'm drowning
 Still I, I need you to go

So here, here I go, Geronimo,
 I'm letting you go
 And I know as much as it breaks my soul
 I, I'm better off alone

I, I'm better off alone

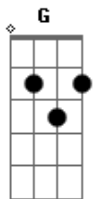

(^C ^G ^C)
 (^{Am} ^G ^G)
 (^C ^G ^{Am})
 (^G ^C ^G ^C)

Some nights I go to bed happy
 Some nights I can't stop the tears
 Other nights I can't feel anything from my skin
 to my bones but I, I'd rather feel the pain

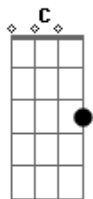

Cause pain's better than nothing,
 I'd rather see some red go down the drain
 I can never stop those demons that enter my dreams
 But I, I know you were the reason

So here, here I go, Geronimo
 I'm letting you go
 And I know as much as it breaks my soul
 I, I'm better off alone
