

The Soundflowers - Your Look (Glorious)

tom:

Intro: C Am F G

[Primeira Parte]

So that was your look

When you saw how far I'd failed you

As the words themselves impaled you

And your soul grew quiet

Then you just shook

As the blood fled from your frail face

[Refrão]

As your heart stood still in time and place

And I kinda liked it

So glorious, how our hearts tore through us

And I just swore 'cause love was never like that

So that was your look

(C Am F G)

[Segunda Parte]

So that's all it took

As all our will just sailed through

And so much hurt we nailed true

But still wouldn't buy it

You read me like a book

With blue blood blame weaved straight lace

As our old shame couldn't keep pace

But we still kinda liked it

[Refrão]

So goddamn glorious, how our hearts tore through us

And you just swore 'cause love was never like that

So glorious how our hearts tore through us

And we just swore 'cause love was never like that

So that's all it took

(C Am F G)

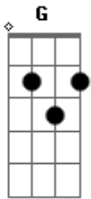

[Refrão]

So glorious how our hearts tore through us

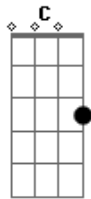

And we just swore 'cause love was never like that

So that was your look
