

# The Soundflowers - Your Look (Glorious)

tom:

Intro: C Am F G

[Primeira Parte]

G C  
So that was your look

Am  
When you saw how far I'd failed you

F  
As the words themselves impaled you

G  
And your soul grew quiet

C  
Then you just shook

Am  
As the blood fled from your frail face

[Refrão]

F  
As your heart stood still in time and place

G  
And I kinda liked it

C Am  
So glorious, how our hearts tore through us

F G  
And I just swore 'cause love was never like that

C  
So that was your look

( C Am F G )

[Segunda Parte]

G C  
So that's all it took

Am  
As all our will just sailed through

F  
And so much hurt we nailed true

G  
But still wouldn't buy it

C  
You read me like a book

Am  
With blue blood blame weaved straight lace

F  
As our old shame couldn't keep pace

G  
But we still kinda liked it

[Refrão]

C Am  
So goddamn glorious, how our hearts tore through us

F G  
And you just swore 'cause love was never like that

C Am  
So glorious how our hearts tore through us

F G  
And we just swore 'cause love was never like that

C  
So that's all it took

( C Am F G )
