

# The Steel Woods - Straw In The Wind

tom:

Intro: Dm C G Dm

[Primeira Parte]

Rode in from the west  
 With an eye towards  
 A dollar to make  
 He pitched us a sale  
 About healin' and  
 Oil from a snake  
 The barkeep he warned him  
 But the man he  
 Did not comprehend

[Refrão]

How strangers round here disappear  
 Like straw in the wind

( Dm C G )  
 ( F Dm )

[Segunda Parte]

Too young but in love  
 When she met him  
 In some northern town  
 He treated her good  
 'Till the sun and  
 The whiskey went down  
 Did the bruise on her face  
 Test the patience  
 Of all of her kin

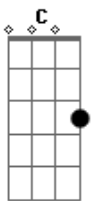

[Refrão]

Or do strangers round here disappear  
 Like straw in the wind

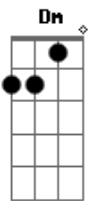

( Dm C G Dm )

[Terceira Parte]

Oh Clem runs his mouth  
 When he drinks since  
 His wife passed away  
 But he's good to the kids  
 And his crops that  
 He sells for fair trade  
 But a travelling man  
 Had enough took a  
 Pipe to his chin

[Refrão]

That travelling man disappeared  
 Like straw in the wind

[Solo] D F G F D  
 D F G F D  
 F E C D

[Quarta Parte]

Oh, if the mouth of this river  
 Could talk here's  
 What it would say  
 If you come here with Good  
 In your heart  
 You'll be on your way  
 Oh but I'm not the one  
 Here who judged  
 Another man's sin

[Refrão]

Or do strangers round here disappear  
 Like straw in the wind

Oh, do strangers round here disappear  
 Like straw in the wind
