

The Strokes - At The Door

tom:

Intro: Gm Am F Gm
Gm Am Bb

[Primeira Parte]

Gm Am F
I can't escape it
Gm Am F Bb
I'm never gonna make it out of this in time

I guess that's just fine

I'm not there quite yet
Am F Gm Am F
My thoughts are charmless

Like?a little boy

What you runnin' for?

Run at the door

Anyone home?

Have?I?lost?it all?

[Refrão]

Struck me?like a chord

I'm?an only boy

Holdin' on the night

Lonely after light

You begged me not to go

Sinkin' like a stone

Use me like an oar

And get yourself to shore

[Segunda Parte]

Bang at the door

Anyone home?

It's just what they do

Right in front of you

Like a cannonball

Slammin' through your wall

In their face, I saw

What they're fightin' for

I can't escape it

I'm never gonna make it to the end, I guess

[Refrão]

Struck me?like a chord

I'm?an only boy

Holdin' on the night

Lonely after light

You begged me not to go

Sinkin' like a stone

Use me like an oar

And get yourself to shore

[Ponte]

Onto fight what I can?t see

Not tryna build

No dynasty

I can't see beyond this wall

But we lost this game

So many times before

[Terceira Parte]

I been on a cold road

I'll be waiting, yeah

I'll be waiting from the other side

Waiting for the time to pass

I been on a cold road

I'll be waiting, yeah

I'll be waiting from the other side

Waiting for the time to pass

Acordes
