

# The Strokes - Automatic Stop

Tom: Gb

Chords:

Guitar 1: Albert

Guitar 2: Nick

Intro: (x2) - Guitar 1

Intro: (x2) - Guitar 2

Verse - Guitar 2 (Guitar 1 - same chords transposed see chords above )

Break 1 - Guitar 1 ( Guitar 2 Chords played with verse rhythm - slightly different progression)

These two bars replace the two bars above the second time Guitar 1 plays this break.  
Guitar 2 chord also changes for last bar

Break 2 (x2) - Guitar 1 ( Guitar 2 chords played with verse rhythm - different progression)

very slight bend

Song Structure:

- Intro (x2)
- Verse
- Break 1
- Break 2 (x2)
- Break 3 (Played the same as Intro - x2)
- Break 1
- Verse
- Break 2 (x2)

There are easier ways to play Break 2 but I was getting the best tone from my guitar when I played it in this position. This is also how Albert appeared to be playing this when I saw them in Chicago.
