

# The Strokes - Brooklyn Bridge To Chorus

tom:

Intro: **Bbm Gb Ab Fm**  
**Bbm Ebm Ab Db Bbm**

**Bbm Ebm**  
 One shot is never enough  
**Ab Db Bbm**  
 I just wait for us to go in circles  
**Bbm Ebm Ab**  
 A lifetime of giving my all for you

Hostile, give me a break  
**Db Bbm**  
 I take two sips from my bottle and chill

**Bbm Ebm Ab**  
 And first he would tell me I'm his friend  
**Db Bbm Bbm**  
 Actually, no thanks, I'm okay  
**Ebm Ab**  
 Then he would send weird looks my way

**Db Gb**  
 I want new friends, but they don't want me  
**Ab Bbm**  
 They're making plans while I watch TV  
**Db Gb**  
 Thought it was you, but maybe it's me  
**Ab Bbm**  
 I want new friends, but they don't want me

**Gb Db Ab**  
 And the eighties song, yeah, how did it go?  
**Gb Db**  
 When he said: This is the beginning of the best years  
**Ab Ab**  
 Even though, false, break

( **Bbm Gb Ab Fm** )

**Bbm Ebm**  
 One shot is never enough  
**Ab Db Bbm**  
 I just wait for us to go in circles  
**Bbm Ebm Ab Db Bbm**  
 In the distance from my room is anything so necessary?  
**Bbm Ebm Ab Db**  
 I was thinking about that thing that you said last night, so boring

( **Bbm Ebm Ab Db Bbm** )

( **Bbm Ebm Ab Db** )

**Bbm Gb Db Ab**  
 And the eighties bands? Where did they go?  
**Gb Db Ab**  
 Can we switch into the chorus right now?

**Db Gb**  
 I want new friends, but they don't want me  
**Ab Bbm**  
 They have some fun, but then they just leave  
**Db Gb**  
 Is it just them? Or maybe all me?  
**Ab Bbm**  
 Why, my new friends, don't seem to want me

**Db Gb**  
 Hurts my case, but that's okay  
**Ab Am**  
 It hurts my case, but that's okay  
**Db**  
 We're dancing on a moonbeam  
**Gb Ab Bbm Gb**  
 On and on and on and on and on

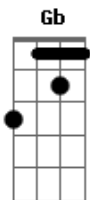

**Db Ab**  
 The deeper I get the less that I know  
**Gb**  
 That's the way that it go  
**Db Ab**  
 The less that I know the deeper I go  
**Gb**  
 Juliet, I adore  
**Db Ab**  
 The deeper I get the less that I know

**Gb**  
 Diminishing returns  
**Db Ab**  
 Oh, oh, oh, oh, oh, oh, oh

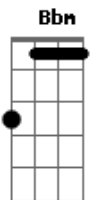

**Gb**  
 Oh, that's how it goes

**Db**  
 All I wanna say  
**Ab**  
 On another song  
 On another day  
**Gb**  
 On another song  
**Db**  
 On another day  
**Ab**  
 On another song  
 On another break
