Enjoy!

Whether your in L.A.,
Sunny laid back L.A.,
Whether your in New York,
Comfort 'round your block,

Whether your in the U.K.,
Where the sky is dark,
And the grass is kinda green,
You know like central park,

Still my favourite place in this whole wide world,
Has got to be in the middle of the ocean floor,

I see you pokin' out the ocean paradise on earth,
The fiftieth state, what!?! Hawaii.

oohhh
oohhh

I wanna dip into somethin different,
oh oh oh,
a nuclear disaster might be on our way,

but I don't care I'm in the USA,

Whether we're drunk or stoned or we're sober and old,
If I'm with you I'm a happy man,

If you feel safe and cold while you count your gold,
If your problem is you can't find your remote control,

Say, my favourite person in this whole wide world,
Is a woman who could understand every word,

And when she speaks to me she makes me see the world,
As my favorite place, Hawaii,

We got it made
yes I know
Can we go

by plane or boat
ohhhhhh

Whether you take it slow or you let me go,
Whether you tell me somethin that I did not know,

Whether your neat and polite or you scream and fight,
Whether you keep something from me that I would not like,

Still my favourite attitude in this world so far,
Is the friendly spirit of an iron heart,

I like the way folks are in this most special place,
I don't care what happens I'm taking a plane,

Hawaii Ha Aw Wa I E
I said
Hawaii Ha Aw Wa I E
I said

Hawaii Ha Aw Wa I E
I said,
Hawaii Ha Oh Aw I E

Kauai, oh why, I'm gonna die in Lanai(?),
Maui or The Big Island, cause they know why(?).

Hawaii Ha Aw Wa I E
Hawaii
Hawaii

ohhhh
ohhhh

I wanna do what? Somethin different,
Oh me, cut of from malaysia back in who knows when,

We got,
Kinda lost,

But my God,

What a place,

I profess,
Airforce Jets,

Cannot take,
Way My Soul,

Acordes
