

The Strokes - I Can't Win

tom:

B

[Primeira Parte]

B

That was you up on the mountain

All alone and all surrounded

E
Walking on the ground you're breaking

Laughing at the life you're wasting

B
One, two tries won't do it

You do it all your life and you

Never get through it

E
Everything they had to say

Had been erased in just one day

[Refrão]

B **E**
Good try, we don't like it

B **E**
Good try, we won't take that shit

Abm Dbm Gb
I can't win

[Segunda Parte]

B

Things in bars that people do

When no one wants to talk to you

E
Failing can be quite a breeze, he

Told me that these girls were easy

B
Happy that you said you'd mount me

Felt unlucky when you found me

E
Some nights come up empty handed

Yes, I'll take it

[Refrão]

B **E**
Wait now, by the sidewalk

B **E**
Hold on, yes, I'll be right back

Abm Dbm Gb
I can't win

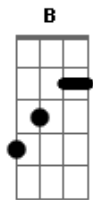

B **E**
Yeah, I wait for something

B **E**
Cool it, we won't take that shit

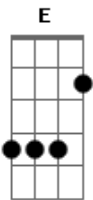

B **E**
Good try, we don't like it

B **E**
Hold on, yes, I'll be right back
