Things in bars that people do When no one wants to talk to you Failing can be quite a breeze, he Told me that these girls were easy Happy that you said you'd mount me Felt unlucky when you found me Some nights come up empty handed Yes, I'll take it [Refrão] Wait now, by the sidewalk Hold on, yes, I'll be right back Abm Dbm Gb can't win Yeah, I wait for something Cool it, we won't take that shit Good try, we don't like it Hold on, yes, I'll be right back
