

The Strokes - I'll Try Anything Once

Tom: C

Ten decisions shape your life
 You'll be aware of five about
 Seven ways to go through school
 Either you're noticed left out

Seven ways to get ahead
 Seven reasons to drop out

And I said, I can see me in your eyes
 You said, I can see you in my bed
 That's not just friendship that's romance too
 You like music we can dance to

Sit me down
 Shut me up
 I'll calm down
 And I'll get along with you

There is a time where we all fail
 Some people take it pretty well
 Some take it all out on themselves
 Some the just take it out on friends

Oh everybody plays the game
 And if you dont your called insane

don't don't don't don't it's not safe no more
 Iv'e got to see you one more time
 Since you were born
 In 1984

Sit me down
 Shut me up
 I'll calm down
 And i'll get along with you

Everybody was well dressed
 And everybody was a mess
 six things without fail you must do
 So that your women loves just you
 All the girls played mentle games
 And all the guys were dressed the same

Why not try it all
 if you only remember it was
 ooooooooooh
 ooooooooooh

Sit me down
 Shut me up
 I'll calm down
 And I'll get along with you

Ok! one more time
