

# The Strokes - I'll Try Anything Once

Tom: C

Ten decisions shape your life  
 You'll be aware of five about  
 Seven ways to go through school  
 Either you're noticed or left out  
  
 Seven ways to get ahead  
 Seven reasons to drop out  
  
 And i said, i can see me in your eyes  
 You said, i can see you in my bed  
 That's not just friendship thats romance to  
 You like music we can dance to  
  
 Sit me down  
 Shut me up  
 I'll calm down  
 And i'll get along with you  
  
 There is a time where we all fail  
 Some people take it pretty well  
 Some take it all out on themselves  
 Some the just take it out on friends  
  
 Oh everybody plays the game  
 And if you dont your called insane

Don't don't don't don't it's not safe no more  
 Iv'e got to see you one more time  
 Since you were born  
 In 1984  
  
 Sit me down  
 Shut me up  
 I'll calm down  
 And i'll get along with you  
  
 Everybody was well dressed  
 And everybody was a mess  
 six things without fail you must do  
 So that your women loves just you  
 All the girls played mentle games  
 And all the guys were dressed the same  
  
 Why not try it all  
 If you only remember it was  
 Oooooooooooh  
 Oooooooooooh  
  
 Sit me down  
 Shut me up  
 I'll calm down  
 And I'll get along with you  
  
 Ok! one more time
