

## The Strokes - I'll Try Anything Once

```
Tom: C
Ten decisions shape your life
You'll be aware of five about
Seven ways to go through school
Either you're noticed or left out
                  Dm
Seven ways to get ahead
Seven reasons to drop out
          Dm
And i said, i can see me in your eyes
You said, i can see you in my bed
That's not just friendship thats romance to
You like music we can dance to
Sit me down
Shut me up
     Dm
I'll calm down
And i'll get along with you
There is a time where we all fail
Some people take it pretty well
Some take it all out on themselves
Some the just take it out on friends
Oh everybody plays the game
And if you dont your called insane
```

## **Acordes**

```
Don't don't don't don't it's not safe no more
                                                                                                                                                                                                         Am
Iv'e got to see you one more time % \left( 1\right) =\left( 1\right) \left( 1\right
Since you were born
 In 1984
                                                                                            Dm
Sit me down
Shut me up
                                    Dm
 I'll calm down
And i'll get along with you
 Everybody was well dressed
And everybody was a mess
 six things without fail you must do
So that your women loves just you
All the girls played mentle games
And all the guys were dressed the same
Why not try it all
 If you only remember it was
                                                                                                     G
 0ooooooh
Oooooooh
       Sit me down
         Shut me up
                                                               Dm
 I'll calm down
                                                 С
And I'll get along with you
Ok! one more time
```
