Dear, can't you see  
It's them it's not me  
We're not enemies  
We just disagree  
If I was like him  
All pissed in this bar  
He changes his mind  
Says I went too far  
We all disagree  
I think we should disagree, yeah

Is this it  
Is this it  
Is this it

Can't you see I'm trying, I don't even like it
