

The Strokes - Red Light

tom:

C

[Primeira Parte]

C
Two can be complete without the rest of the world
C
Two can be complete without the rest of the world
Dm
Do it for the people that have died for your sake
Dm G
An entire generation that has nothing to say
F G
How'd you make your way to me?

[Refrão]

G F
Let's say you made a deal with me
C
And I got your name and your home address
G F
And you're all trashed up with your big red belt
C
I would almost say that you might need help
G F
I could drop you off at the next red light
C
If it don't make sense or it don't feel right
G F
All the girls could never make me love them the way I love you

[Segunda Parte]

C
Ca-an't you see the sky is not the limit no more?
C
I can see the elevator crashed the floor
Dm
I can still see yesterday sailing away
Dm G
Seven billion people who got nothing to say
F G
Are you coming on to me?

C

It was so inviting it hurt my bones
G F
Well it looks like you but your eyes are grey
C
And your hair is gone but your mind's okay
G F
Yes I like your smile but your forehead's cold
C
I don't want you to be afraid and go
G
I would cheat and lie and steal now I'll
F C
Stay at home and kneel for you
F C
For my baby, to arrive
G
Right by my side
Em
Oh please
Dm
Leave me alone tonight
Em G
Forget the past
C
Two can be complete without the rest of the world
C
Oh you know I said it just to get you to laugh
Dm
Do it for the people that have died for your sake
Dm G
An entire generation of entertainers to blame
C Dm
The light is red
G
The camera's on
G F C
Get yourself a lawyer and a gun
G F
Hate your friend's new friends like
C
Everyone
G F C
Childhood's end can be so competitive
G F
Oh sky's not the limit and your never
C
Gonna guess what is
