

The Strokes - Soma

Tom: **C**

Intro:

Levada: (Riff)

(Riff)

Soma is what they would take when hard times opened
 their eyes Saw pain in a new way
 high stakes for a few names
 Racing against sunbeams
 Losing against fig trees
 In your eyes

And I ^G am stop and go In your eyes, see

I ^G am stop and go In your eyes

0 intervalo: Lets Go

(Riff)

When I saw her for the first time
 Lips moved as your eyes close
 Heard something in his voice

And I'll be there he says
 Then he walks out
 Somehow he was trying
 Too hard to be like them

And I ^G am stop and go in your eyes

And I ^G am stop

Oh, darling, let me go

Tried it once and they like it
 And tried to hide it
 Says I've been doing
 this twenty five years

Well I'm, not listening no more

And these friends they keep asking for more

Oh, yeah
 Oh, but that's it
