

The Strokes - Soma

tom: C

Soma is what they
 Would take when
 Hard times opened their eyes
 Saw pain in a new way
 High stakes for a few names
 Racing against sunbeams
 Losing against fig trees

In your eyes

[Refrão]
 And I am stop and go
 In your eyes, see
 I am stop and go
 In your eyes
 Let's go

When I saw her for
 The first time

Lips meet as your eyes close
 Heard something in his voice
 And I'll be there he says
 Then he walks out
 Somehow he was trying
 Too hard to be like them

[Refrão]

And I am stop and go
 In your eyes
 And I am
 Oh, darling, let me go

Tried once and they like it
 And tried to hide it
 Says I've been doing
 This twenty five year
 Well, I'm not listenin' no more
 And these friends, they keep asking for more
 Oh, yeah
 Oh, but that's it

Acordes
