

The Struts - Kiss This

Tom: G

Thomas said stay home, get away from me
 Saying I was bad for you
 He got his way
 I'm gone for good
 Making up stories, keeping it secret
 Taking your word for truth,
 You were bad for me
 So I'm gone for good

I did all I could
 So kiss this one more time and I'm gone for good
 You, misunderstood
 So kiss this one last time and I'm gone for good

Thomas said sorry, coming back, crawling
 Didn't give a shit before,
 He stole from me
 So I'm gone for good
 Getting back from this no second chances
 Another phone call ignored
 You were bad for me

So I'm gone for good

I did all I could
 So kiss this one more time and I'm gone for good
 You, misunderstood
 So kiss this one last time and I'm gone for good
 Can I get a little
 Ah ah ah a-h, ah ah ah a-h, ah ah ah a-a-h
 Kiss this
 ah ah ah a-o, ah ah ah a-o, ah ah a-o-oh
 Kiss this

I, did all I could
 So kiss this one more time
 One more time!

I did all I could
 So kiss this one more time and I'm gone for good
 You, misunderstood
 So kiss this one last time and I'm gone for good
 Can I get a little

Ah ah ah a-h, ah ah ah a-h, ah ah ah a-a-h
 Kiss this
 ah ah ah a-o, ah ah ah a-o, ah ah a-o-oh
 Kiss this
