

The Struts - Mary Go Round

```
tom:
               Fm (forma dos acordes no tom de Em )
Capostraste na 1ª casa
           Gbm
   I took our pictures off the wall today
   'Cause I can't stand it when you look at me that way
   I won't sleep in that bed anymore Gbm B
   I'd rather be lying here on this hardwood floor
   I found your jacket with your front door \ensuremath{\mathsf{key}}
   You took the shoes I bought to walk away from me
     B D
   I can't even pour myself a little wine
            Gbm B
   'Cause every glass is stained in your lipstick shine
  How long... before my little pill starts kicking in?
       Am Em
  How long... before your broken heart starts giving in?
  Here we go up, here we go down
  Mary go round and round and round
  Mary go up, Mary go down, Mary go round
   I tell myself that you can be replaced
   I try with someone else but its you that I taste
```

```
We go in circles on this rusty old ride
          Gbm B D
  Maybe its our time to say goodbye
           Gbm B D
 Maybe its our time, yeah
              Em
         Am
 How long... before my little pill starts kicking in?
 How long... before your broken heart starts giving in?
 Here we go up, here we go down
 Mary go round and round and round
Mary go up, Mary go down, Mary go round
D Bm Gbm A)
 How long... before my little pill starts kicking in?
 How long... before your broken heart starts giving in?
 Here we go up, here we go down
 Mary go round and round and round
 Mary go up, Mary go down, Mary go round
 How long... before my little pill starts kicking in?
 How long... before your broken heart starts giving in?
 How long... tell me, tell me, tell me, right now
