

The Struts - Somebody New

Tom: E

Believe me, I'm speechless
 I wish that I could say those words
 You whispered so sweetly
 And maybe I'll regret this but I've gotta be honest
 Cause we made a promise, I won't break it now
 I wish I could hold you
 But how could I be so unfair to lead us to nowhere?
 We've both been down that road before
 And if it should end us please know that I'm helpless
 I've made up my mind
 It's not that I don't care the way that you do
 It's just my heart's not ready yet
 For somebody new
 It's not that I don't feel the feelings you do
 It's just my heart's not ready yet
 For somebody new
 If only this started when love was something new to me
 I'd never have questioned, rejecting what we could have been

But when you've been broken some wounds remain open
 That no one can heal
 It's not that I don't care the way that you do
 It's just my heart's not ready yet
 For somebody new
 It's not that I don't feel the feelings you do
 It's just my heart's not ready yet
 For somebody new
 (Dbm A B)
 It's not that I don't feel, the feelings you do
 It's just my heart's not ready yet
 For somebody new
 It's not that I don't care (it's not that I don't care)
 the way that you do (the way that you do, babe)
 Cause when my heart's not ready yet
 For something so soon, yeah
 It's just my heart's not ready yet
 For somebody new
