

The Stylistics - You make me feel brand new

```
Am7 D7 C7M
Intro: [chorus transposed from G to E]:
                                                                  God bless you
                                                                  Am7
                                                                   You make me feel brand new
       (electric sitar and piano)
                                                                    Bm7 Bm Am7 D7 C7M
        Abm7 Abm Gbm7 B7
                                                                   For God blessed me with you
                                                                  Am7
                                                                  You make me feel brand new
                                                                                               (C7M) Bm7 Am7
                                                                    Bm7 Bm Am7 D7 C7M
       (strings enter)
                                                                   I sing this song 'cause you
        7M Gbm7 Abm7 Abm7 Abm Gbm7 B7
                                                                  Make me feel brand new
                                                                   (electric sitar and vibes)
                 Abm7 Gbm7 Gbm7
                                                                   111111111111111111
                / /
                                                           Verse 2:
Verse 1:
                                                                  My love
           Ε
                                                                  Whenever I was insecure
       My love
                                                                  You built me up and made me sure
           \mathsf{Am}
                                                                  You gave my pride back to me
       I'll never find the words, my love
         Am
                                                                  Precious friend
       To tell you how I feel, my love
Abm7 Gb7 Gbm7 B7
                                                                  With you I'll always have a friend
                                                                  You're someone who I can depend
       Mere words could not explain
                                                                  To walk a path that sometimes bends
       Am7 D7 G
                                                                  Without you
       Precious love
                                                                  Life has no meaning or rhyme
                                                                  Like notes to a song out of time
          Cm
       You held my life within your hands
                                                                  How can I repay
                                                                  You for having faith in me
       Created everything I am
                                                           Coda [repeat partial chorus to fade]:
        Cm
       Taught me how to live again
                                                                  Am7 D7 C7M
                                                                  God bless you
       Only you
                                                                  Am7
                                                                   You make me feel brand new
                            Bm
        Em
       Care when I needed a friend
                                                                    Bm7 Bm Am7 D7 C7M
                                                                  For God blessed me with you
       Believed in me through thick and thin
       C7M Bm7
                                                                  You make me feel brand new
       This song is for you
                       Bm7 C7M Am7 D
                                                                    Bm7 Bm Am7 D7 C7M
       Filled with gratitude and love
                                                                   I sing this song for you
Chorus:
                                                                  Continua instrumentalmente e fade.
