

The Tallest Man on Earth - Fields Of Our Home

tom:

E

G C

So you honestly believe in me

Am D

Though I wake up every night, oh

G C

And I've been dreaming of a second rush

Am D

While the first one leaves your eye

Bm C

What if you'd never been through lies

G C

Young sorrow, wailing loans?

Am D

What if you'd never seen through that

C D G

To the fields of our home?

G C

Always rumours of a flame in town

Am D

Not by parents ever traced, no

G C

Just a part of what we do out here

Am D

Subtle early, vicious late

Bm C

What if I'd never been through finds

G C

Of sorrow, wailing loans

Am D

What if I'd never seen through that

C D G

To the fields of our home

(G C Am D)

Em C G C

When all falling down is just the travelling need

Am

Of a wave

Em C G C

And the burn of salt in the cuts come around

Am D

Heal again

G C

There was always racing on that crossing street

Am D

Where you'd land on quiet heels

G C

Will there ever be a sane time to

Am D

Let them know how walking feels?

Bm C

What if we never see through

G C

Crying tomorrows, wailing loans?

Am D

What if we never see through that

C D

To the fields of our

G C

The more we believe in these frozen grounds

Am D

Suddenly hunger disappears

G C

Will we fall as we run with our closing eyes

Am D

Is this a lifetime or some years?

(Em C G C Am)
