

# The Tallest Man on Earth - King Of Spain

tom:

Intro: D G A D

[Primeira Parte]

I never knew I was a lover  
 Just 'cause I steal the things you hide  
 Just 'cause I focus while we're dancing  
 Just 'cause I offered you a ride

Still, I am not from Barcelona  
 I am not even from Madrid  
 I am a native of the North folk  
 And that can mess up any kid

[Refrão]

Well, if you can reinvent my name  
 Well, if you can redirect my day  
 I wanna be the king of Spain

[Segunda Parte]

And I will settle in Pamplona  
 And I'll provoke the bulls with words  
 And then I'll send a man to meet them all  
 The blood is fake, so I have heard

And all the señoritas sighing

Will be the fountain of my lies  
 But while we're floating in siestas  
 You search for bottles and for knives

[Refrão]

Well, if you can reinvent my name  
 Well, if you can redirect my day  
 I wanna be the king of Spain

[Terceira Parte]

And I wear my boots of Spanish leather  
 Oh, while I'm tightening my crown  
 I'll disappear in some flamenco  
 Perhaps I'll reach the other side

Why are you stamping my illusion?  
 Just cause I stole some eagle's wings  
 Because you named me as your lover  
 Well, I thought I could be anything

[Refrão]

Well, if you can reinvent my name  
 Well, if you can redirect my day  
 I wanna be the king of Spain
