

The The - Slow Emotion Replay

tom:

F

The more I see the less I know about all those things I thought were wrong

or right or carved in stone. So don't ask me about war,

religion or God, love, sex or death because

Everybody knows what's going wrong with the world

But I don't even know what's going on in myself

X2

Ya gotta work out your own salvation with no explanation.

To this earth we fall. On hands and knees we crawl.

And we look up to the stars and reach out and pray to a deaf, dumb and

blind God who never explains.

Everybody knows what's going wrong with the world

But I don't even know what's going on in myself

Lord I've been here oh so long

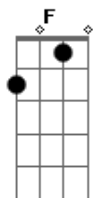

I can feel it coming down on me

I'm just a slow emotion replay of somebody

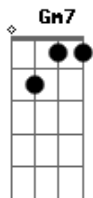

I used to be
