tom:  
 E  
 Baby, I've seen you in the summer,  
 E  
 And my heart sounds like a drummer,  
 Gbm A  
 you don't know  
 E  
 you don't know  
 E  
 I'm steel feeling about last night  
 E  
 When you and me were dancing high  
 Gbm A  
 You don't know  
 E

You don't know  
 ( E Gbm A )  
 E  
 And I'm thinking I'm falling in love  
 E  
 so just get a little close  
 Gbm A  
 You don't know  
 E  
 But I know  
 E  
 By my side in this summer  
 E  
 Can be London or Copacabana  
 Gbm A  
 So let's go  
 E  
 Through the world
