

# the tremeloos - By The Way

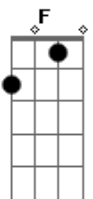

tom:  
 You mean to say  
 After all the years of lovin'  
 After all the tears are far away  
 You could throw away  
 All the dreams we build together  
 Can't believe you mean the things you say  
 I remember you in a loving way  
 In your eyes, in your face  
 And I think about a man with a lot to say  
 In my mind, in my place  
 By the way, by the way  
 What can I do to make you stay?

By the way, by the way  
 What can I do to make you stay?  
 Now I find myself  
 Begging for the very first time  
 On my knees I crawl to you today  
 I remember you in a loving way  
 In your eyes, in your face  
 And I think about a man with a lot to say  
 In my mind, in my place  
 By the way, by the way  
 What can I do to make you stay?  
 By the way, by the way  
 What can I do to make you stay?
