

the tremeloos - By The Way

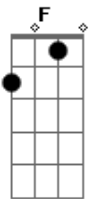

tom:
 You mean to say
 After all the years of lovin'
 After all the tears are far away
 You could throw away
 All the dreams we build together
 Can't believe you mean the things you say
 I remember you in a loving way
 In your eyes, in your face
 And I think about a man with a lot to say
 In my mind, in my place
 By the way, by the way
 What can I do to make you stay?

By the way, by the way
 What can I do to make you stay?
 Now I find myself
 Begging for the very first time
 On my knees I crawl to you today
 I remember you in a loving way
 In your eyes, in your face
 And I think about a man with a lot to say
 In my mind, in my place
 By the way, by the way
 What can I do to make you stay?
 By the way, by the way
 What can I do to make you stay?
