Hello **Bm**

Is there anybody in there? **A**

Just nod if you can hear me **G Gbm Em**

Is there anyone at home? **Bm**

Come on now

I hear your feeling down **A**

I can ease your pain **G Gbm Em**

And get you on your feet again **Bm**

Relax

I'll need some information first **A**

Just the basic facts **G Gbm Em**

Can you show me where it hurts? **Bm**

There is no pain you are receding **D**

A distant ship smoke on the horizon **D A G**

You are only coming through in waves **C**

Your lips move but I can't hear what you're saying **C G**

When I was a child I had a fever **D A G**

My hands felt just like two balloons **D A G**

Now I've got that feeling once again **C**

I can't explain, you would not understand

This is not how I am **G**

A G C G D

I have become comfortably numb

There'll be no more aaaaaaaah! **G Gbm Em**

Bm

But you may feel a little sick

Can you stand up?

I do believe it's working, good **A**

That'll keep you going through the show **G Gbm Em**

Come on it's time to go **Bm**

There is no pain, you are receding **D A**

A distant ship smoke on the horizon **D A G**

You are only coming through in waves **C G**

Your lips move but I can't hear what you're saying **C G**

When I was a child, I caught a fleeting glimpse **D A G**

Out of the corner of my eye **C G**

I turned to look but it was gone **C**

I cannot put my finger on it now

The child is grown

The dream is gone **G**

And I **A G C G D** have become comfortably numb
