

# The Used - Blue And Yellow

tom:  
F

And it's all in how you mix the two  
Dm Bb

And it starts just where the light exists  
Dm Bb

It's a feeling that you cannot miss  
Dm

And it burns a hole  
Bb

Through everyone that feels it

Well you're never gonna find it  
C

If you're looking for it  
C

Won't come your way yeah  
Bb

Well you'll never find it  
C

If you're looking for it  
Bb

Should've done something  
Bb

But I've done it enough  
C

By the way your hands were shaking  
Dm

Rather waste some time with you  
F Dm

And you never would have thought in the end  
Dm Bb

How amazing it feels just to live again
