Verse:  
 Sometimes I tend to loose myself when I'm out here on my own  
 I never seem to get it right but I guess that's how it goes  
 Ever since you came around, can't nobody hold me down  
 You showed me how to find myself when I needed it the most

Chorus:  
 I've been up all night, no sleep  
 Cause I feel like I'm always dreaming  
 All night, no sleep  
 Cause I feel like I'm always dreaming  
 Wide awake, that's okay  
 As long as I'm with you  
 I'll be up all night, no sleep  
 Cause I feel like I'm always dreaming

Verse:  
 I'm never gonna find my way if I don't learn to let go  
 The past is the past, today is today and there's things I can't control  
 The circles underneath my eyes, tell the truth that I've been try'n to hide  
 I've been waiting for you way too long would you come and take me home  
 Oh I, oh, I'm praying this ain't all a dream  
 Can you, you, wake me up before you leave

Chorus:  
 I've been up all night, no sleep  
 Cause I feel like I'm always dreaming  
 All night, no sleep
