

The Vamps - Boy Without a Car

Tom: E

Hey pretty face, I wanna tell you something
But I'll just wait while you keep me hanging

On and on and on Your every word

It's 3 AM and we're just sat here talking
About your friends but we don't care about

Them at all, I just wanna swallow you up

I tried but no one gets close to you

And I'm wondering how we got this far

I'm just another boy without a car

Oh how I wish that you could say

You feel the same way

You always got me wanting more

I never met a girl like you before

Oh how I wish that you would stay

With me for another day

You're like the rain, I drown myself in ya
And there's no way I'm leaving here without

Your hands, your eyes, that I see as mine

And why try when you're like a ghost to me?

And I'm wondering how we got this far

I'm just another boy without a car

Oh how I wish that you could say

You feel the same way

You always got me wanting more

I never met a girl like you before

Oh how I wish that you would stay

With me for another day

I give my heart and my soul for you

Don't leave me high and dry, no

I give my heart and my soul for you

I'm wondering how we got this far

I'm just another boy without a car

Oh how I wish that you would stay

With me for another day

And I'm wondering how we got this far

I'm just another boy without a car

Oh how I wish that you could say

You feel the same way

You always got me wanting more

I never met a girl like you before

Oh how I wish that you would stay

With me for another day
