

# The Vamps - Can We Dance

Tom: E

(com acordes na forma de Capotraste na 4ª casa C )

I talk a lot of shit,  
 When I'm drinkin baby,  
 I normally go a little too fast,  
 Don't mind all my friends,  
 I know they're all crazy,  
 But they're the only friends that i have,  
 I know I don't know you but I'd like to,  
 Skip the small talk and romance girl,  
 That's all i have to say so,  
 Baby Can We Dance?

Here we go again,  
 Another drink I'm caving in,  
 Stupid words keep falling from my mouth,  
 You know that I mean well,  
 My hands were meant for some where else,  
 Your eyes were doing naughty butterflies.

Oh, oh,  
 One more drink and I should go,  
 Oh, oh,  
 But maybe she might like it though,  
 Oh, oh,  
 I just can't think of what to say,  
 Should I go, should I stay,  
 I just can't let her slip away.

I talk a lot of shit,  
 When I'm drinkin baby,  
 I normally go a little too fast,  
 Don't mind all my friends,  
 I know they're all crazy,  
 But they're the only friends that i have,  
 I know I don't know you but I'd like to,  
 Skip the small talk and romance girl,  
 That's all i have to say so,  
 Baby Can We Dance?

I was leaning in,

And you became the pushy friend,  
 Your the bottle to my perfect ten,  
 You know I need you though,  
 My hearts not made for someone else,  
 So leave me here cuz I can't bear this thing  
 Oh, oh,  
 One more drink and I should go,  
 Oh, oh,  
 But maybe she might like it though,  
 Oh, oh,  
 I can't take this anymore,  
 Should I stay, should I go,  
 It's just gonna lead back to her door.

I talk a lot of shit,  
 When I'm drinkin baby,  
 I'm known to go a little too fast,  
 Don't mind all my friends,  
 I know they're all crazy,  
 But they're the only friends that i have,  
 I know I don't know you but I'd like to,  
 Skip the small talk and romance girl,  
 That's all i have to say so,  
 Baby Can We Dance?

I've been a bad bad boy,  
 Whispering rude things in her ear,  
 Please say shell break,  
 Please say shell change,  
 I wanna bring me back to.

I talk a lot of shit,  
 When I'm drinkin baby,  
 I'm know to go a little too fast,  
 Don't mind all my friends,  
 I know they're all crazy,  
 But they're the only friends that i have,  
 I know I don't know you but I'd like to,  
 Skip the small talk and romance girl,  
 That's all i have to say so,  
 Baby Can We Dance? x2
