

The Vamps - Cheap Wine

Tom: G

I'm not thinking^{Am}
 When I'm drinking^F
 I got secrets you don't know^C
 But tonight I let them show^G
 Tip of my tongue^{Am}
 So let me finish^F
 I know I'm coming on too strong^C
 But this buzz is coming on^G

I been thinking about you, about you all day^{Am}
 About my hands all over your waist^F
 I just need a couple drops of this^C
 And I'll tell you^G
 I'll tell you

I drank too much cheap wine^{Am}
 Gonna spill this heart of mine^F
 Spill this heart of mine^C
 Baby^G
 I drank too much cheap wine^{Am}
 Gonna say what's on my mind^F
 Say what's on my mind^C
 'Cause I want you to know that I'm drinking about you^{G Am F}
 Drinking about you^C
 'Cause I want you to know that im drinking about you^{G Am F}
 Drinking about you^{C G}

The room is spinning^{Am}
 My Inhibitions^F
 Always getting in my way^C
 But now I'm brave enough to say^G

I been thinking about you, about you all day^{Am}
 About my hands all over your waist^F
 I just need a couple drops of this^C

And I'll tell you^G
 I'll tell you

I drank too much cheap wine^{Am}
 Gonna spill this heart of mine^F
 Spill this heart of mine^C
 Baby^G
 I drank too much cheap wine^{Am}
 Gonna say what's on my mind^F
 Say what's on my mind^C
 'Cause I want you to know that I'm drinking about you^{G Am F}
 Drinking about you^C
 'Cause I want you to know that im drinking about you^{G Am F}
 Drinking about you^{C G}

I just want you to know^{Am F}
 That I need just a little^C
 So I can tell you^G
 I'll be fine on my own^{Am}
 But I'd rather come home with you^F
 If youre looking for someone^C
 To hold for the night^G
 At least let me try^{Am F}
 Say what's on my mind^C

I drank too much cheap wine^{Am}
 Gonna spill this heart of mine^F
 Spill this heart of mine^C
 Baby^G
 I drank too much cheap wine^{Am}
 Gonna say what's on my mind^F
 Say what's on my mind^C
 'Cause I want you to know that I'm drinking about you^{G Am F}
 Drinking about you^C
 'Cause I want you to know that im drinking about you^{G Am F}
 Drinking about you^{C G}
 Cause I want you to know that I'm drinking about you
