

# The Vamps - Cheap Wine

Tom: G

I'm not thinking<sup>Am</sup>  
 When I'm drinking<sup>F</sup>  
 I got secrets you don't know<sup>C</sup>  
 But tonight I let them show<sup>G</sup>  
 Tip of my tongue<sup>Am</sup>  
 So let me finish<sup>F</sup>  
 I know I'm coming on too strong<sup>C</sup>  
 But this buzz is coming on<sup>G</sup>

I been thinking about you, about you all day<sup>Am</sup>  
 About my hands all over your waist<sup>F</sup>  
 I just need a couple drops of this<sup>C</sup>  
 And I'll tell you<sup>G</sup>  
 I'll tell you

I drank too much cheap wine<sup>Am</sup>  
 Gonna spill this heart of mine<sup>F</sup>  
 Spill this heart of mine<sup>C</sup>  
 Baby<sup>G</sup>  
 I drank too much cheap wine<sup>Am</sup>  
 Gonna say what's on my mind<sup>F</sup>  
 Say what's on my mind<sup>C</sup>  
 'Cause I want you to know that I'm drinking about you<sup>G Am F</sup>  
 Drinking about you<sup>C</sup>  
 'Cause I want you to know that im drinking about you<sup>G Am F</sup>  
 Drinking about you<sup>C G</sup>

The room is spinning<sup>Am</sup>  
 My Inhibitions<sup>F</sup>  
 Always getting in my way<sup>C</sup>  
 But now I'm brave enough to say<sup>G</sup>

I been thinking about you, about you all day<sup>Am</sup>  
 About my hands all over your waist<sup>F</sup>  
 I just need a couple drops of this<sup>C</sup>

And I'll tell you<sup>G</sup>  
 I'll tell you

I drank too much cheap wine<sup>Am</sup>  
 Gonna spill this heart of mine<sup>F</sup>  
 Spill this heart of mine<sup>C</sup>  
 Baby<sup>G</sup>  
 I drank too much cheap wine<sup>Am</sup>  
 Gonna say what's on my mind<sup>F</sup>  
 Say what's on my mind<sup>C</sup>  
 'Cause I want you to know that I'm drinking about you<sup>G Am F</sup>  
 Drinking about you<sup>C</sup>  
 'Cause I want you to know that im drinking about you<sup>G Am F</sup>  
 Drinking about you<sup>C G</sup>

I just want you to know<sup>Am F</sup>  
 That I need just a little<sup>C</sup>  
 So I can tell you<sup>G</sup>  
 I'll be fine on my own<sup>Am</sup>  
 But I'd rather come home with you<sup>F</sup>  
 If youre looking for someone<sup>C</sup>  
 To hold for the night<sup>G</sup>  
 At least let me try<sup>Am F</sup>  
 Say what's on my mind<sup>C</sup>

I drank too much cheap wine<sup>Am</sup>  
 Gonna spill this heart of mine<sup>F</sup>  
 Spill this heart of mine<sup>C</sup>  
 Baby<sup>G</sup>  
 I drank too much cheap wine<sup>Am</sup>  
 Gonna say what's on my mind<sup>F</sup>  
 Say what's on my mind<sup>C</sup>  
 'Cause I want you to know that I'm drinking about you<sup>G Am F</sup>  
 Drinking about you<sup>C</sup>  
 'Cause I want you to know that im drinking about you<sup>G Am F</sup>  
 Drinking about you<sup>C G</sup>  
 Cause I want you to know that I'm drinking about you
