

The Vamps - Coming Home

Tom: Ab

(com acordes na forma de G)

Capostrate na 1ª casa

Intro: G G G G2

Of course I get lonely, I guess I ain't old me
 I'm sick and I'm tired of getting used up and tossed to the side

I hate this hotel room, for walls that stop me from getting you

I'm hoping that some day, we can runaway for a little

But I promise I'll be back soon
 And a voice through a phone ain't the same it's true
 Give me time, and I'll give you every drop of mine

Keep the car running, and keep those sheets warm

Cause baby there's nothing, that I want more

To hold you right beside me, the way I always do
 But I gotta tell you something, I miss you but

You never know when I'm coming home

I know it's been six weeks, but how could I ever forget your old face

And I find it so cute when you think there's ever been anyone but you

I know I said I promise I'll be back soon
 Just come move my way so we can get through
 But give me time, and I'll give you every drop of mine

Keep the car running, and keep those sheets warm

Cause baby there's nothing, that I want more

To hold you right beside me, the way I always do
 But I gotta tell you something, I miss you but

You never know when I'm coming home

When I'm coming home, when I'm coming home, when I'm coming home

Tomorrow feels like a lifetime away, so why don't you stay right here

Cause my arms were made for you tonight
 Lie in, sink into my skin

Keep the car running, and keep those sheets warm

Cause baby there's nothing, that I want more

Then hold you right beside me, the way I always do
 But I gotta tell you something, I miss you but

You never know

Keep the car running, and keep those sheets warm

Cause baby there's nothing, that I want more

To hold you right beside me, the way I always do
 But I gotta tell you something, I miss you but

You never know when I'm coming home

When I'm coming home, when I'm coming home, when I'm coming home
