Tom: C

```
      C
So wake me up,
C
Cause Ive been asleep now, for days
        Am
How do I get up?
        F
Oh, oh, oh.
           C
Oh, oh, oh.

C
And way back when,
C
We used to fall hard, in love
        Am
How to mess it up?
          F
Oh, oh, oh.
           C
Oh, oh, oh.

               Am
This aint the end of us,
               Am
Darling let me show you,
      G
I am good enough,

        Fm
But Ill see her again,

C
Met a girl and she is dangerous,
G
Hope I knew her, but I just cant get
Am
enough Im struck
F          G
Shes gonna tear me up.
C
A million voices telling me to never give you up.
G
Shouldnt listen, Im addicted to this
Am
darker love.
F                      G
And this is dangerous, for me.

C
I must confess,
C
Im feeling guilty.
           Am
My conscience is heavy,
Im a wreck.
            F
