

The Vamps - Girls on TV

Tom: D

Dear diary
 Want to make a new entry
 Oh you wouldn't believe me
 What began today

Well she called me
 Oh that girl from the party
 And I thought she should be on TV
 When I first saw her face

She said alright
 What are you doing 'til daylight
 So I chanced it
 I said dancing with you!

She got legs like Beyoncé
 Give me the eye like Rihanna
 I wanna put her on camera
 'Cause she drives me crazy, crazy, crazy
 Don't need no game show
 Or a Hollywood movie, pop video
 'Cause as long as she's next to me
 I got all the girls on TV
 I got all the girls on TV
 I got all the girls on TV

Dear diary
 We finished dinner early
 And the way that she kissed me
 Sent us on our way

And she danced like
 A professional all night
 And the stars were her spotlight
 The city became her stage

And I said so
 Can I buy a ticket to your show?
 She said front row
 If I go home with you

She got legs like Beyoncé

Give me the eye like Rihanna
 And I wanna put her on camera
 'Cause she drives me crazy, crazy, crazy
 Don't need no game show
 Or a Hollywood movie, pop video
 'Cause as long as she's next to me
 I got all the girls on TV
 I got all the girls on TV
 I got all the girls on TV

Like a star on a silver screen
 Oh I'm punching above my weight,
 We're from different sides of the street.
 And I know, I know, I know
 Still a little mysterious
 Why she taking me seriously?

Dear diary
 I want to make a new entry
 Oh you wouldn't believe me
 What began today

She got legs like Beyoncé
 Give me the eye like Rihanna
 And I wanna put her on camera
 'Cause she drives me crazy, crazy, crazy

Don't need no game show
 Or a Hollywood movie, pop video
 'Cause as long as she's next to me
 I got all the girls on TV
 I got all the girls on TV
 I got all the girls on TV

Oh, na, na, na, na
 Oh, na, na, na, na
 (Oh, oh, oh, oh)

Oh, na, na, na, na
 Oh, na, na, na, na
 (And I know, I know, I know)

Oh, na, na, na, na
 (Still a little bit mysterious)

Oh, na, na, na, na
 (Why's she taking me seriously?)

Oh, na, na, na, na

D

I got all the girls on TV!
