

The Vamps - Half Way There

Tom: G

We're somewhere ^E between being friends and something else ^B I really
 Wanna be ^A
 You spent a whole year wondering if I see you in the same way ^B
 you ^A
 See me ^A

I'll admit for a moment, I apologise I guess I just lost my ^E
 Head ^A
 She said, why stop now ^{Dbm} ^A

When you're half way ^E there-ere-ere-e-yeah
 When you're half way ^A there-ere-ere-e-yeah
 And I know, I know you're scared, to care ^{Dbm}
 But you're half way there ^A (woah, woah, woah, woah)

Drive down to NYC just you and me a second I can have some ^B ^A
 dreams ^E
 But dreams are harder to hold onto when you know that you ^B
 don't ^A
 Have to meet ^A

^{Dbm} ^B

From time to time, you know in life, when you blow a tire and
 You've got no spare ^E ^A
 But she said, we can't stop now ^{Dbm} ^A

When we're half way ^E there-ere-ere-e-yeah
 When we're half way ^A there-ere-ere-e-yeah
 And I know, I know you're scared, to care ^{Dbm}
 But we're half way there ^A (woah, woah, woah, woah)

Take your time ^E
 The way is long and all the roads are open wide ^B
 Praying every time that you don't ^{Dbm} change your mind ^A
 Keep on moving forward one mile at a time (woah, woah, woah, ^A
 woah)

Cause we're half way ^E there-ere-ere-e-yeah
 When we're half way ^A there-ere-ere-e-yeah
 And I know, I know you're scared, to care ^{Dbm}
 But we're half way there ^A (woah, woah, woah, woah)

^E ^B
 We're something between being friends and something else I
 really wanna be ^A
 You spent a whole year wondering if I see you in the same way ^E ^B
 you see me (woah, woah, woah, woah) ^A
