C  
You, You

C Em  
Excuse me miss,

Am  
I don't ever do this,

Em  
Must admit I'm pretty nervous,

F  
But just in case you say yes.

C Em  
I had to ask,

Am  
If you already had dinner plans,

Em  
I know you probably have a man,

F  
But if you happen to be unattached.

C Em  
I'd sing your name over the airways,

Am  
Crash your couch and sleep on the stairway.

Em  
If not tonight, maybe tomorrow cause,

F G  
I'm hung up, I'm shook up,  
I'm lovestruck.

C Em  
I'd wait all day, just for a maybe

Am  
I'm trying to find a way to be worthy.

Em  
If not tonight, maybe tomorrow cause

F G  
I'm hung up, I'm shook up,  
I'm lovestruck.

C  
You, (I'm lovestruck)

C  
You, (I'm lovestruck)

C Em  
It might seem strange

Am  
You don't even know my name

Em  
But I've been watching you for days

F  
Sitting in the same corner table of the same cafe

C Em  
I heard 'wonderwall' beating through your headphones,

Am  
Cracked a little smile when you got the words wrong.

Em  
Excuse me miss,

C )
